SELECTMANS MEETING 10/13

13 October 2026 / 6:00 PM

ATTENDEES

Rob Flint, Sarah Shute, Nancy Boros and Kathleen Panno Absent Steve Dupuis

AGENDA

Last Meeting Follow-up

No minutes available from last meeting

New Business

- Treasurer Report: $363,243 balance. Troy Morse 1st payment sent as well as Oxford County payment. Property in foreclosure will be ready at the end of the month. Will ask for a typical contract from the Realtor. The Kezar Lake payment should be received in 3-5 days. Salt payment made. The work on 113b (stumping) is complete. Once we know when Union hill will be started we will post the closure online.
- Town Clerk Report: Tabulator came in: training still needs to be done. Cindy Butters and Lynn Tripp to come on election day. Liens done last week, some difficulty getting ahold of some tax payers. The report to Corelogic should be out this week. The new date for tax commitment is working very well. We will do the same next year, first Tue in August.
- Road Meeting this thurs: Work on Union to be done. Waiting on our bill from Kheil for grading. The lake rd culverts seem to be ok. Beavers have not dammed them up as of late. The 5 yr road plan will be updated as well as a comparison of what we did vs what we planned. The town meeting date may need to be moved up depending on how the bond discussion goes. It would be smart to have town approval before the spring bond market. This way we could potentially start next year on completing the road plans.

- Rob spoke with Trio rep. Once the training is complete and the data uploaded we should be live Dec 16th.
- Christmas lights: Rob will check lights to see if and what we need to replace.

Meeting adjourned at 6:38pm

Next meeting: 10/27
