- Salt Bid is up 6.2% from last year
- Troy Morse Check printed Steve to reach out for meeting
- Arpa 3rd notice came in. Town is supposed to file every year. Will need to reach out to Carl to reset email and password
- Rob to look in to efax option so we can cancel the fax line and save a little on utilities
- Steve received a complaint on the lack of maintenance at the cemetery: we are still looking for bids.
- Email regarding having our mini splits serviced: will opt out this time as we just had repairs done
- Need to have fire extinguishers certified
- Sam # expires end of June
- Jim W and Carl L stopped in to office to discuss a bench for Christine. Will they be providing it? It would be better placed at town hall rather than land of meadow.
- An issue on Kimball lake rd was brought up: there is a house on the nh side getting power from a neighbor on the me side. There is a cord

running across the road. A neighbor is concerned about fire hazard. We need to refer them to Saco Valley Fire.

- Rob and Kathleen to attend Budget meeting for the school district
- There was a new resident to town that has reached out to us regarding the code enforcement position. We suggested he attend a selectmen's meeting to discuss.
- Roads: We should add some finer gravel to top the area on 113b with the chunky rocks. Will follow up with the road committee
- Orange cone on union is gone. Someone took it or ran over it
- Steve and Carl still working out a time to do grades on union. Waiting on a part for the transit
- Lake rd beaver issue on going. Steve has placed a hog panel to allow for more flow was working fri.
- Loose gravel signs need to be put up
- We need to advertise for new deputy clerk. Will need to work up a job description and pay rate prior to advertising
- June 9th elections: Sarah doing afternoon, Steve to do morning
- Cemetery committee update: Sue Smith is chairman and Sandra Layne secretary. They will need \$400 for cleaning supplies and brushes. Approve expenses 3-0 also need Nicole's email Steve also recommends cutting out the pipe fence and using chain. Its broken in multiple places and looks bad.
- Parade was cancelled due to weather
- One of the employees at the transfer station was injured and will be out for several weeks. Quinton Flint volunteered to hang out at our hopper on Sunday July 5th to check residence
- Meeting adjourned at 7:05pm
