AGENDA

Last Meeting Follow-up

1. Minutes approved with amendments 2-0 1 abstain

New Business

- Treasurer Report: \$308,957 cash, we need a new battery for the generator and a maintenance service visit approved 3-0. Had a zoom meeting with TD bank, can discuss at a later date.
- The auditor sent a request for payment of \$12,350 70% due now, a significant increase over last year. Unfortunately there is a shortage of auditors and we can't shop around.
- Submitted report for grant on lake rd.
- Tax bills being sent out as well as past due notices. The online payment system is available as well for current tax bills.
- Oct warrants coming up Troy Morse first payment, will need his bond prior to that and Oxford county will be due
- Town clerk report: tax bills going out, certified letters for liens going out on Mon. 25 properties this year, down from last year. Posts have been made on facebook and website. The office will be closed while Nancy and Kathleen are out of town, and will post online.

- Road report: guardrail on bridge rt113b: 25' in and out the state will pay, town pays the other half \$28,673 and will need to use the states vendors. Tabled
- Carl should have some estimates for us at the road meeting
- Stone house no parking signs not necessary right now the road is closed for logging. Will need to talk with forestry for parking next year.
- Trio is being worked on waiting for implementation
- Planning board email, will notify sender of next meeting date
- Oxford county commission meeting tomorrow, Rob interested in being on board
- New Business: Cheryl Collins would like to use town hall Sept 19 5:30-7 for greater lovell land trust meet and greet: they would like to introduce residents to what they do and encourage more involvement. Selectboard invited to attend
