AGENDA

Last Meeting Follow-up

1. Min from last meeting approved
2. Treasurers report email prior to meeting for review, warrants signed
3. Clerks reports: Thanks for the help to all who helped with the primary and thank you to the Town of Sweden, they were a big help.
4. Odonell's has been called and will be sending someone to go over property tax information with Kathleen
5. Rob is waiting on doing the trio change over, waiting to make sure it would not complicate things while trying to commit taxes.
6. There has been an inquiry about the office assistant for Kathleen. We will need to meet them at a board meeting.
7. Road Report: lake road grinding has started and ditching is complete. There was an inquiry on why the whole road was not being done. A: We received a grant for that portion of the road only at this time.
8. Dot has been notified about 2 holes on rt 113: they came right out and filled them
9. 113b grading started today 6/23; Steve spoke with Carol Denison regarding the tree removal along her property
10. Setting grades on Union hill will happen at the end of the week we will be using town material and will only be charged for trucking.

11. The guardrails on the bridge on 113b will need replacement. A call to the regional Dot needs to be made.
12. CEO update: Sweden CEO sounds interested. Have called and missed him a few times but will continue reaching out.
13. Cemetery Mowing has been completed
14. Fire Department did ask the residence on Kimball lake shores to remove the power cord going across the road
15. Meeting with Troy Morse went well
16. Rob is still researching theifax idea
17. Colton Brook Dam report received

New Business

- Harold Drew: EMA plan has been finished. Gave copies for the selectboard to review and sign. Then will be sent to the State.
- Ashley Hannan: reworked the survey for the Comp plan to be sent out to residents. Selectboard to review.
- Sue Tarbell: Baptist Church is disbanding and would like to have the town to take stewardship of the building. There is no deed, no title, it was originally built by 6 residents of town. Steve is concerned about additional cost to the town for upkeep. Rob asked if there was a possibility the historical society could take it over. Subject tabled for the moment.
- Meeting adjourned at 7pm
